

NAJOT TA'LIM
O'QUV MARKAZI

Muammo

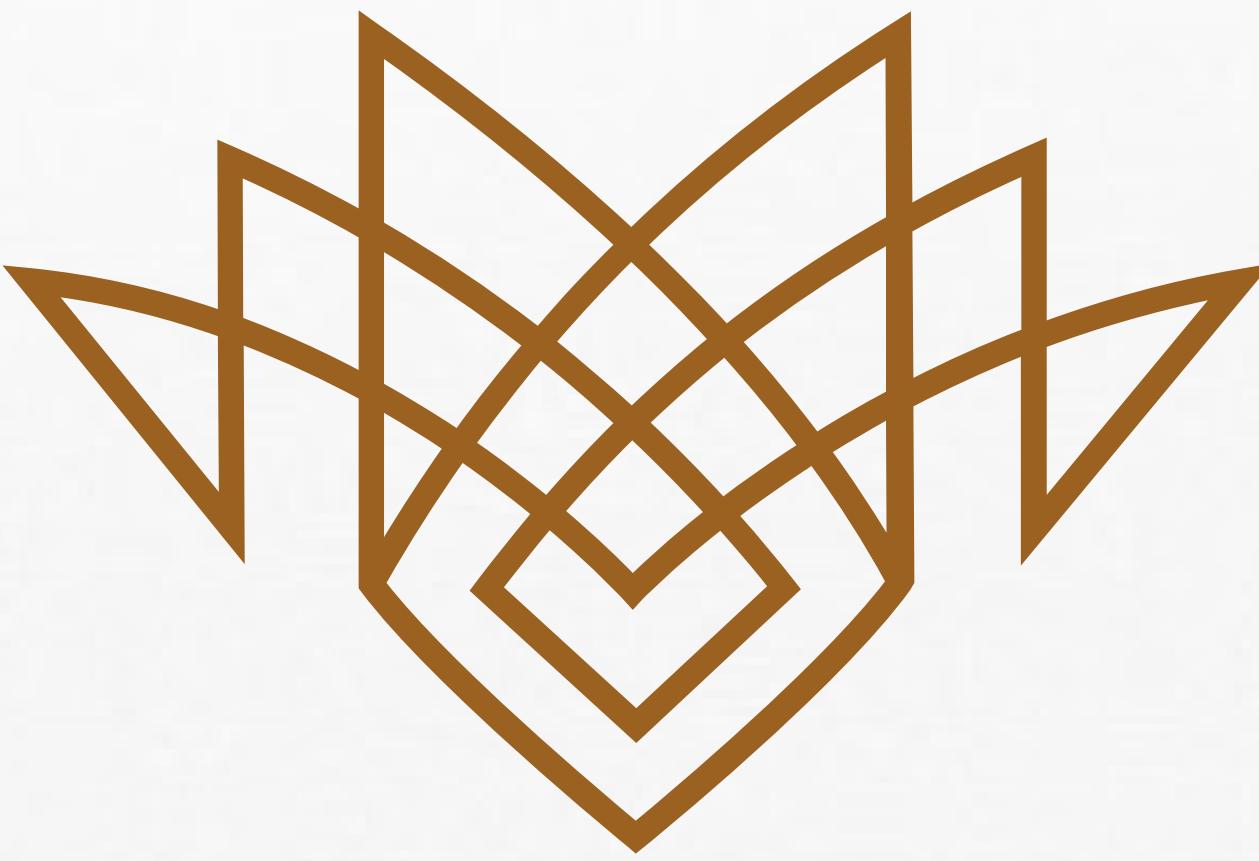

Najot Ta'lim o'quv markaziga 2018-yilda asos solingan bo'lib, ular bizga murojaat etishgan vaqtida faqatgina o'quv markaz nomi va asosiy shiori bor edi. Ular asosan xorijiy tillar va zamonaviy kasblar bo'yicha o'quv kurslarini ochish niyatida ekanligini bildirishgan.

Yechim

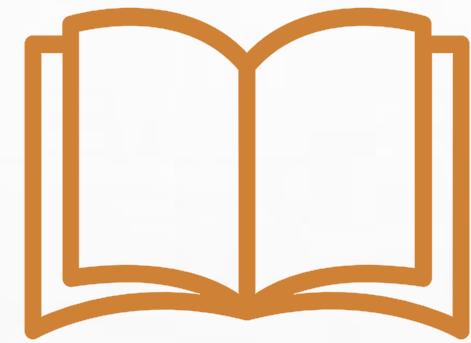

Biz Najot Ta'lim logotipini: "*Dunyoda ilmdan boshqa najot yo'q va bo'lmagay*" shioriga asoslagan holda ishlab chiqdek. U o'zida 4 - elementni, ya'ni: Kitob; Qayiqcha; Nilufar guli va "N" harfi va premium ranglarni birlashtirgan. O'quv markaz nomi ham ushbu shiordan kelib chiqgan. Logodan tashqari to'laqonli brend strategiyasini, zamonaviy o'quv dasturlari va marketing strategiyalarini ham ishlab chiqdik.

Natija

Mufaqqiyatli marketing strategiyasi tufayli yoshlarda zamonaviy kasblarga bo'lgan qiziqish so'nggi 3 yil ichida keskin oshib ketdi. Biz tayyorlagan logotip O'quv kurslari orasida eng taniqlilaridan biri bo'lib, "zamonaviy kasblar" deganda ko'pchilikning ko'z oldiga ko'p holatda Najot Ta'lim logotipi keladi.

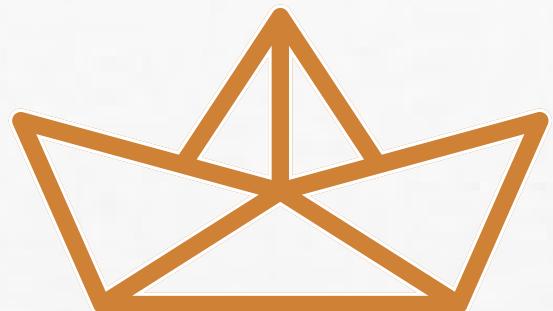

NAJOT TA'LIM

Kitob.

Aholining intellektual va ma'naviy-estetik ehtiyojini qondirish, yoshlarni mustaqil fikrlaydigan, mustahkam hayotiy pozitsiyaga ega, chinakam vatanparvar va ma'nан barkamol insonlarni tarbiyalashda kitobning о'rni beqiyosdir.

Kema.

«*Dunyoda ilmdan boshqa najot yo'q va bo'lmagay*». Muhaddislar sultonni, dunyo imomi – Imam Buxoriy bobomiz aytgan ushbu so'zlar tom ma'noda zamonaviy dunyoning shioriga aylandi. Zero Najot Ta'lif o'quv markazi hayotda o'z o'rnini topa olmayotgan yoshlarga xuddi Najot kemasidek yordam beradi.

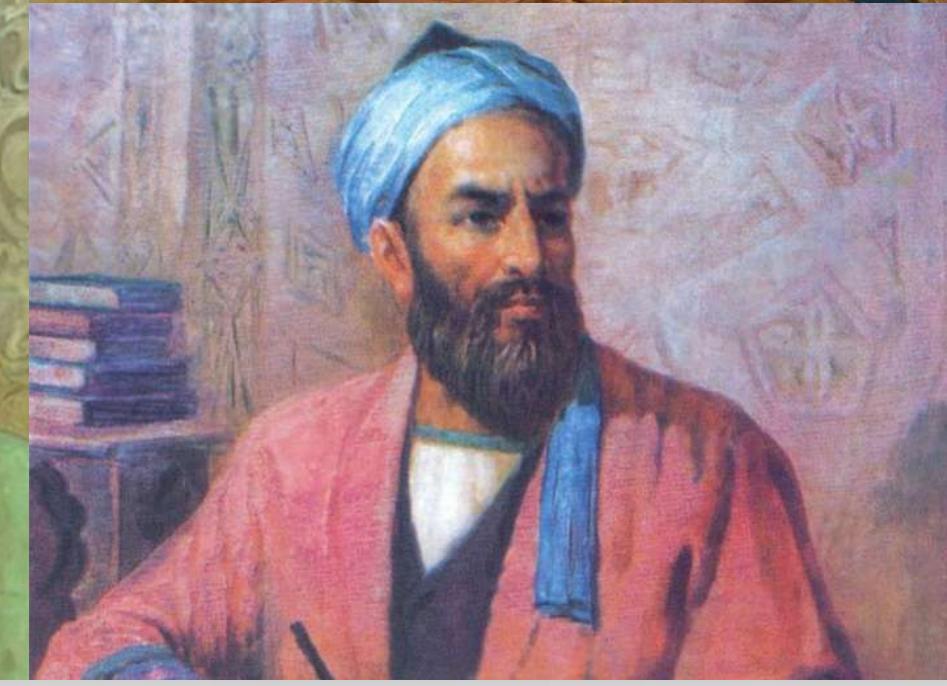

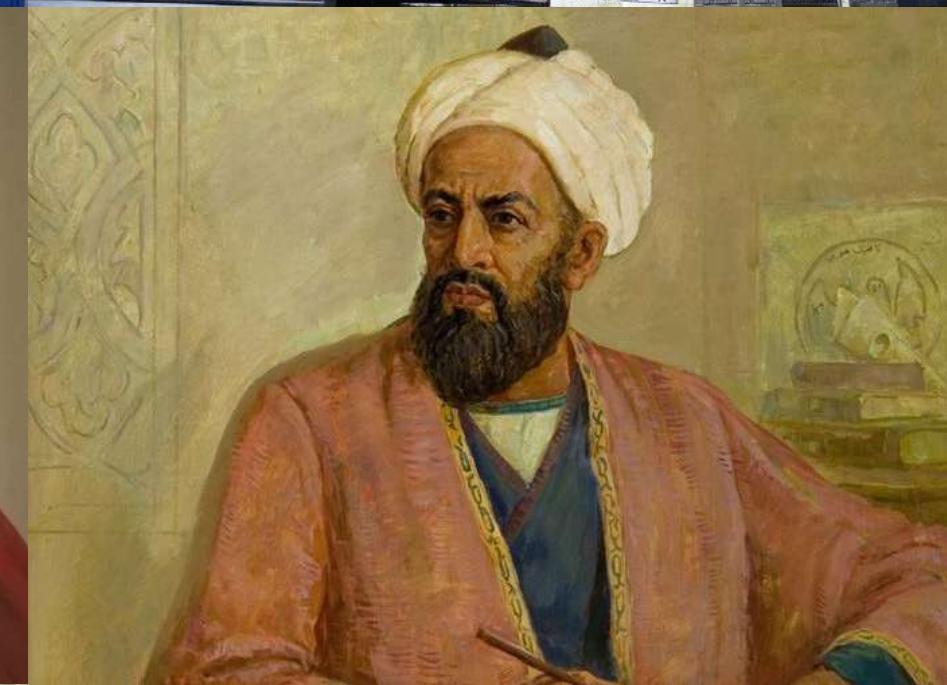

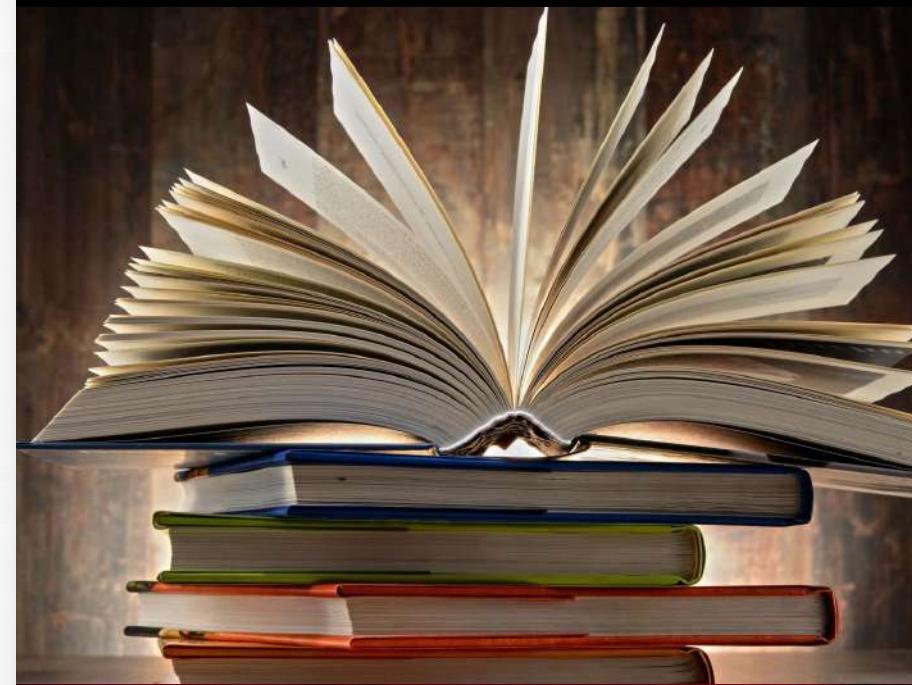

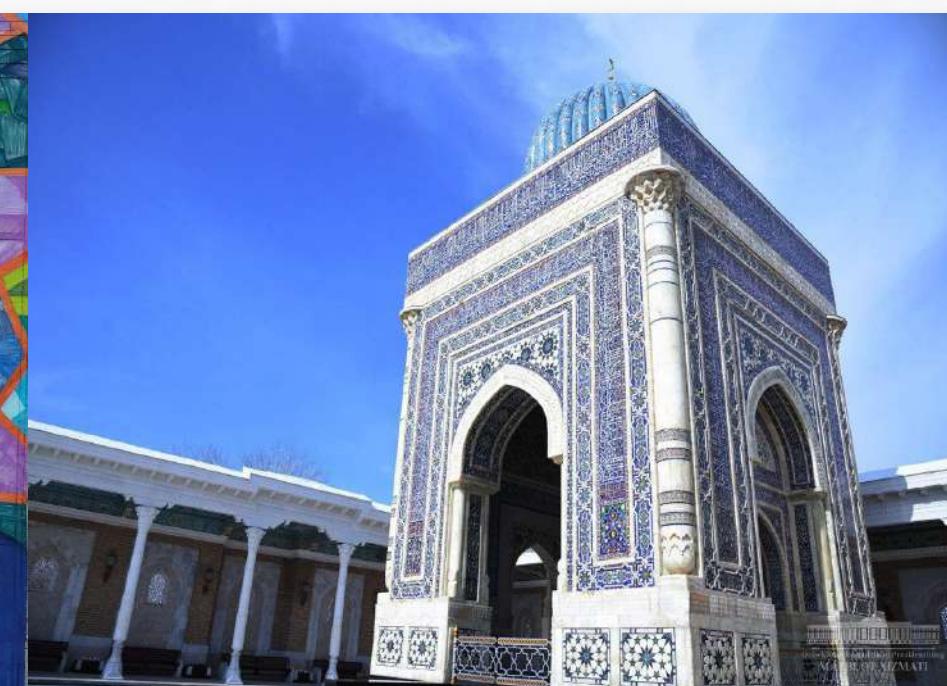

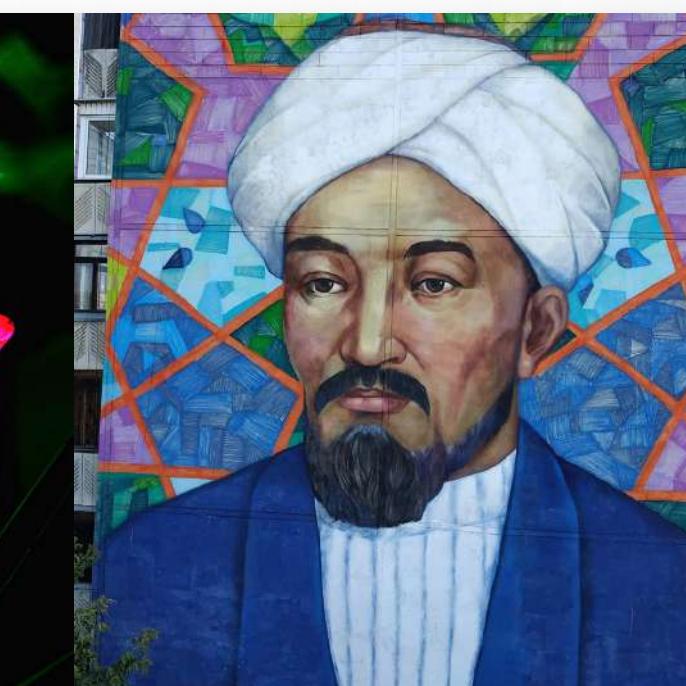

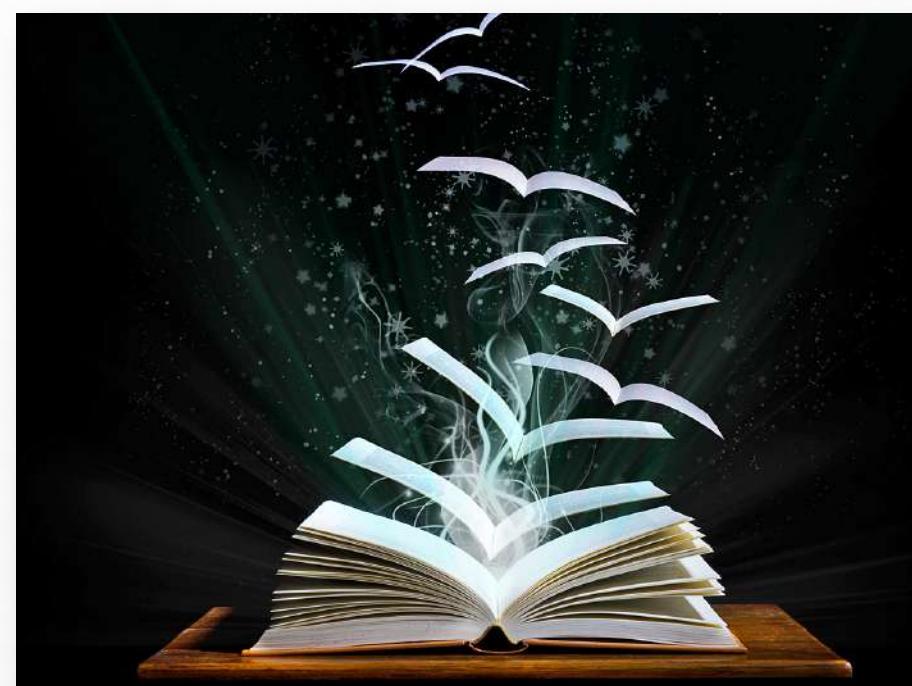

Nilufar.

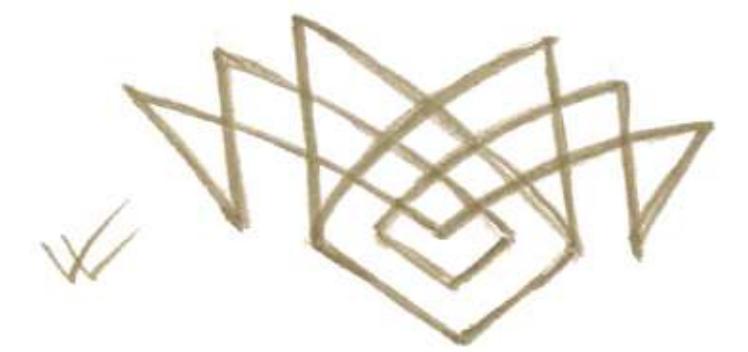

Nilufar qadimdan ko'plab sivilizatsiyalarda muqaddas hisoblangan va turli xil ma'nolarni anglatgan. Ulardan asosiyлari o'sish, go'zallik, poklik, quyoshga va nurga intilish va boshqalar.

N harfi.

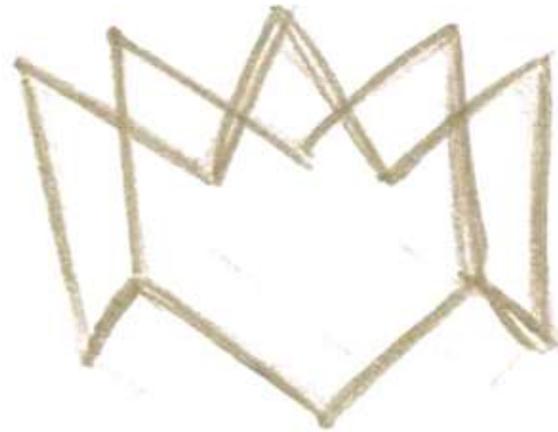

Najot so'zining bosh va o'zbek alifbosining 13-harfi.
